can cause folks to do strange things! The summer of 1980 was a really hot one. Our students tried many ways to keep cool. We photographed some of them. How did you fight the heat?

Six pairs of twins!

Twin from OE twinn twofold, two by two; born with one other, as a pair at one birth; matching; having or consisting of two identical units. Either of two offspring produced at a birth.

Larry and Jerry Smith

Donette and Kim Kitchen

Leslie and Lewis Alexander

Twins come in both identical and fraternal styles! Twins also come along perhaps two pair to a graduating class. This class had eight sets of twins! Identical twins were Keith and Kevin Howard, Larry and Gary Prince, Kent and Kevin Sisler, Larry and Jerry Smith. Fraternal twins were Leslie and Lewis Alexander, Charlotte and Charlene Butcher, Barry and Rodney Barbour, Donette and Kim Kitchen.

HOMECOMING

1980 style was
studded by fire
works, good score,
pretty girls and
prizes.

At top right: Marty Sparks was Homecoming Queen. Top left: Ronnie Mays held on to the ball. Above: The court and the dance.

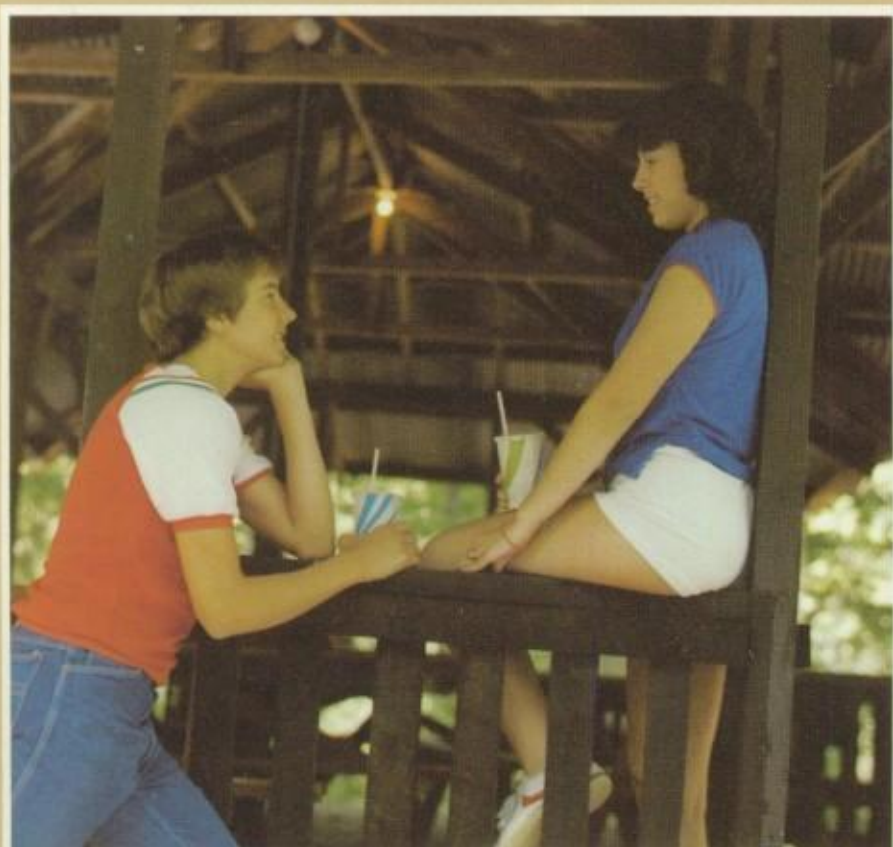

We Do A Lot of Fun Things in a Lot of Fun Places!!

Maybe it was a picnic in the park — a radio, cokes, chips and burgers made it a party. Really formal dances — like the Homecoming dance and the prom required a lot of thought — What to wear, who to go with, etc. Sometimes we had to take to the road for a conference, competition, or concert. We had fun wherever we went. We dressed up, we dressed down, we dressed for rain and for cold. We went to football games, basketball games, track meets — all sorts of fun things. We knew that we had what it took to find the fun in all sorts of areas of life.

Ours is a busy, active school! During the school year 1980-81, we had fun with the fifties as "Ma and Pa" Mullins. Gail and Angie were transported, via their clothing, back to the fabulous fifties. Girls' State was held at Morehead State University during the summer. It was a fun way to learn.

Around

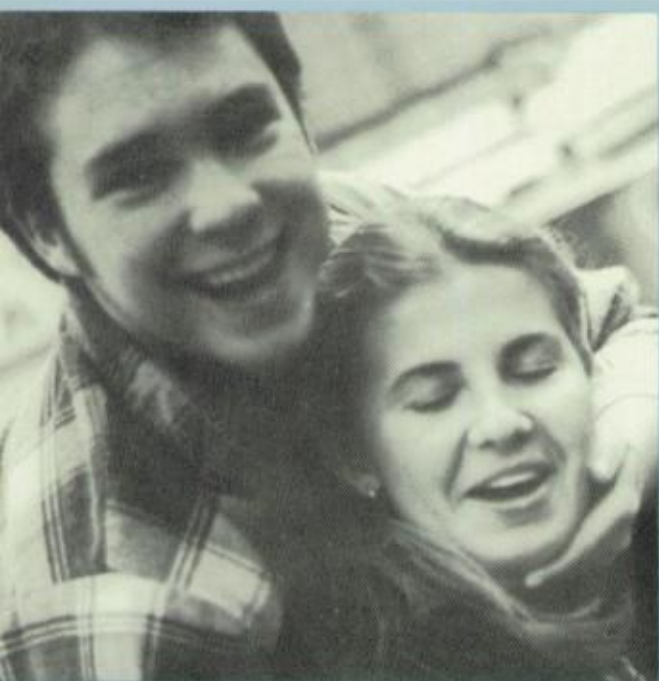

Halloween brought a treat (or maybe a trick) to Mr. Vincent. Christmas came and with it Christmas festivities, including a concert complete with vocals by Mr. Maddox and an appearance by

Rudolf. It was a pretty mild winter, but there was snow. Lisa's "Blue Boy" was the "hit" of the Spanish Club party; and "Singing in the Rain" was the theme song of Kim, Pam and Kim.

the School

Around the school whether working on a library or a clean-up project ... around the area with "the gang" or with the team ... around the state or around the world ... BCHS kids do their best to look sharp and to be sharp.

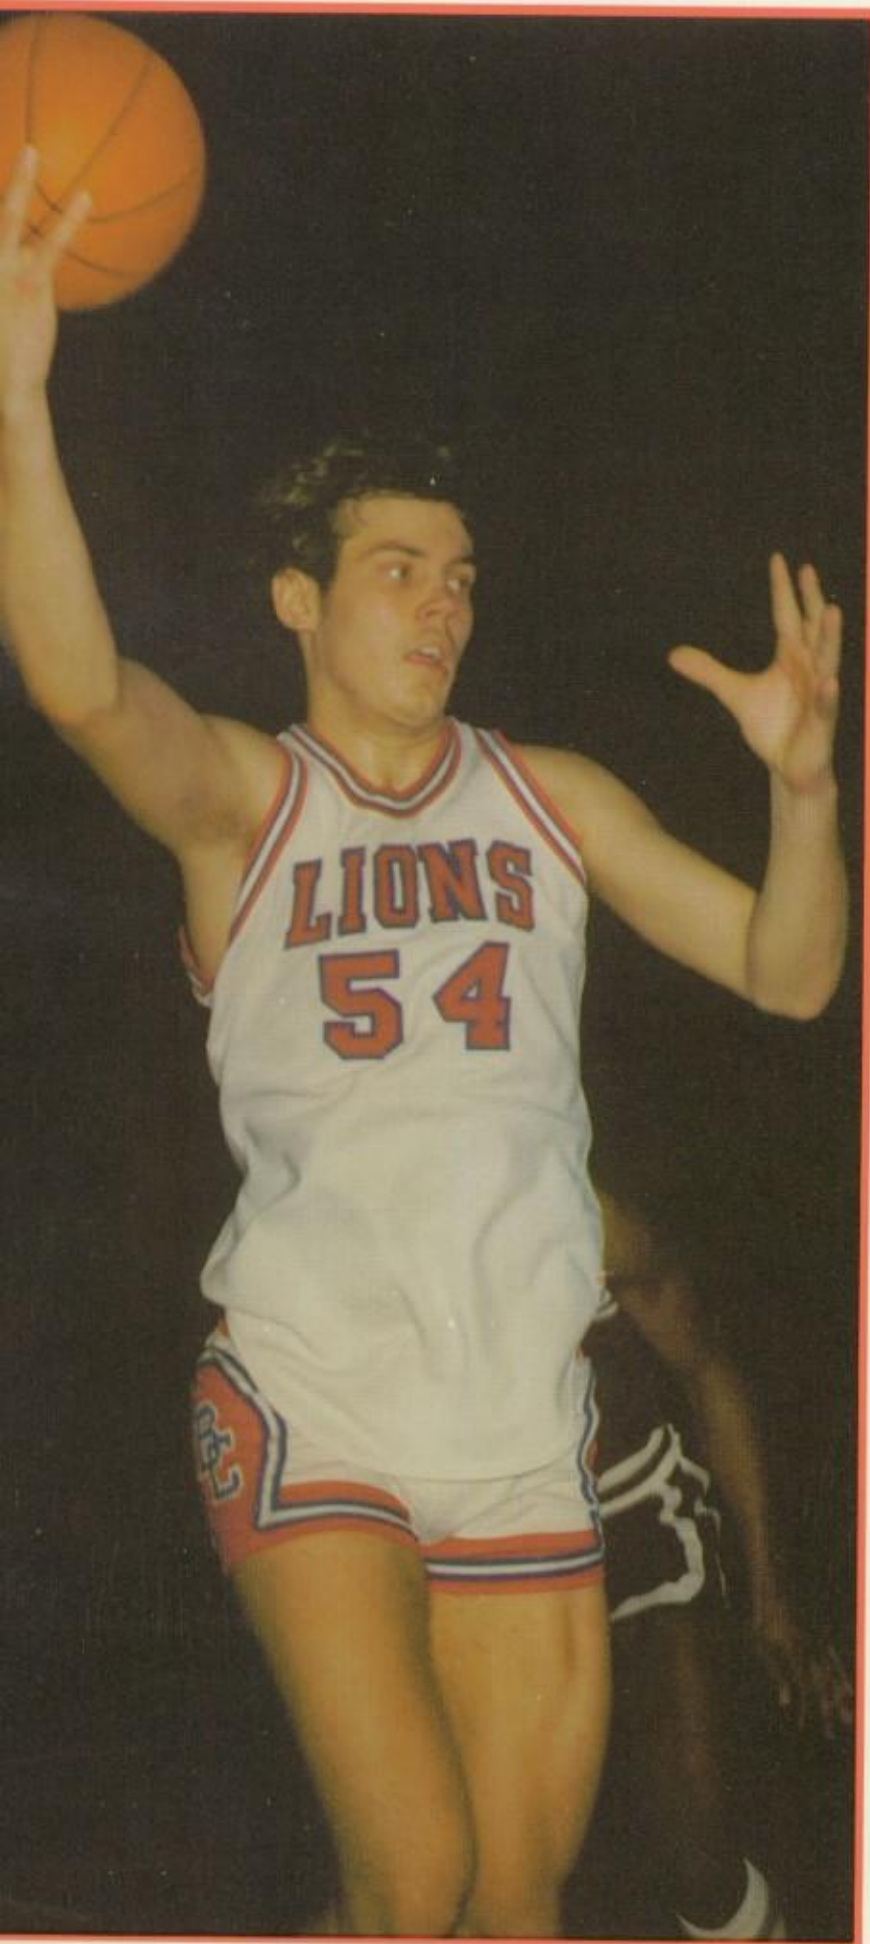

... TO PLAY IN THE

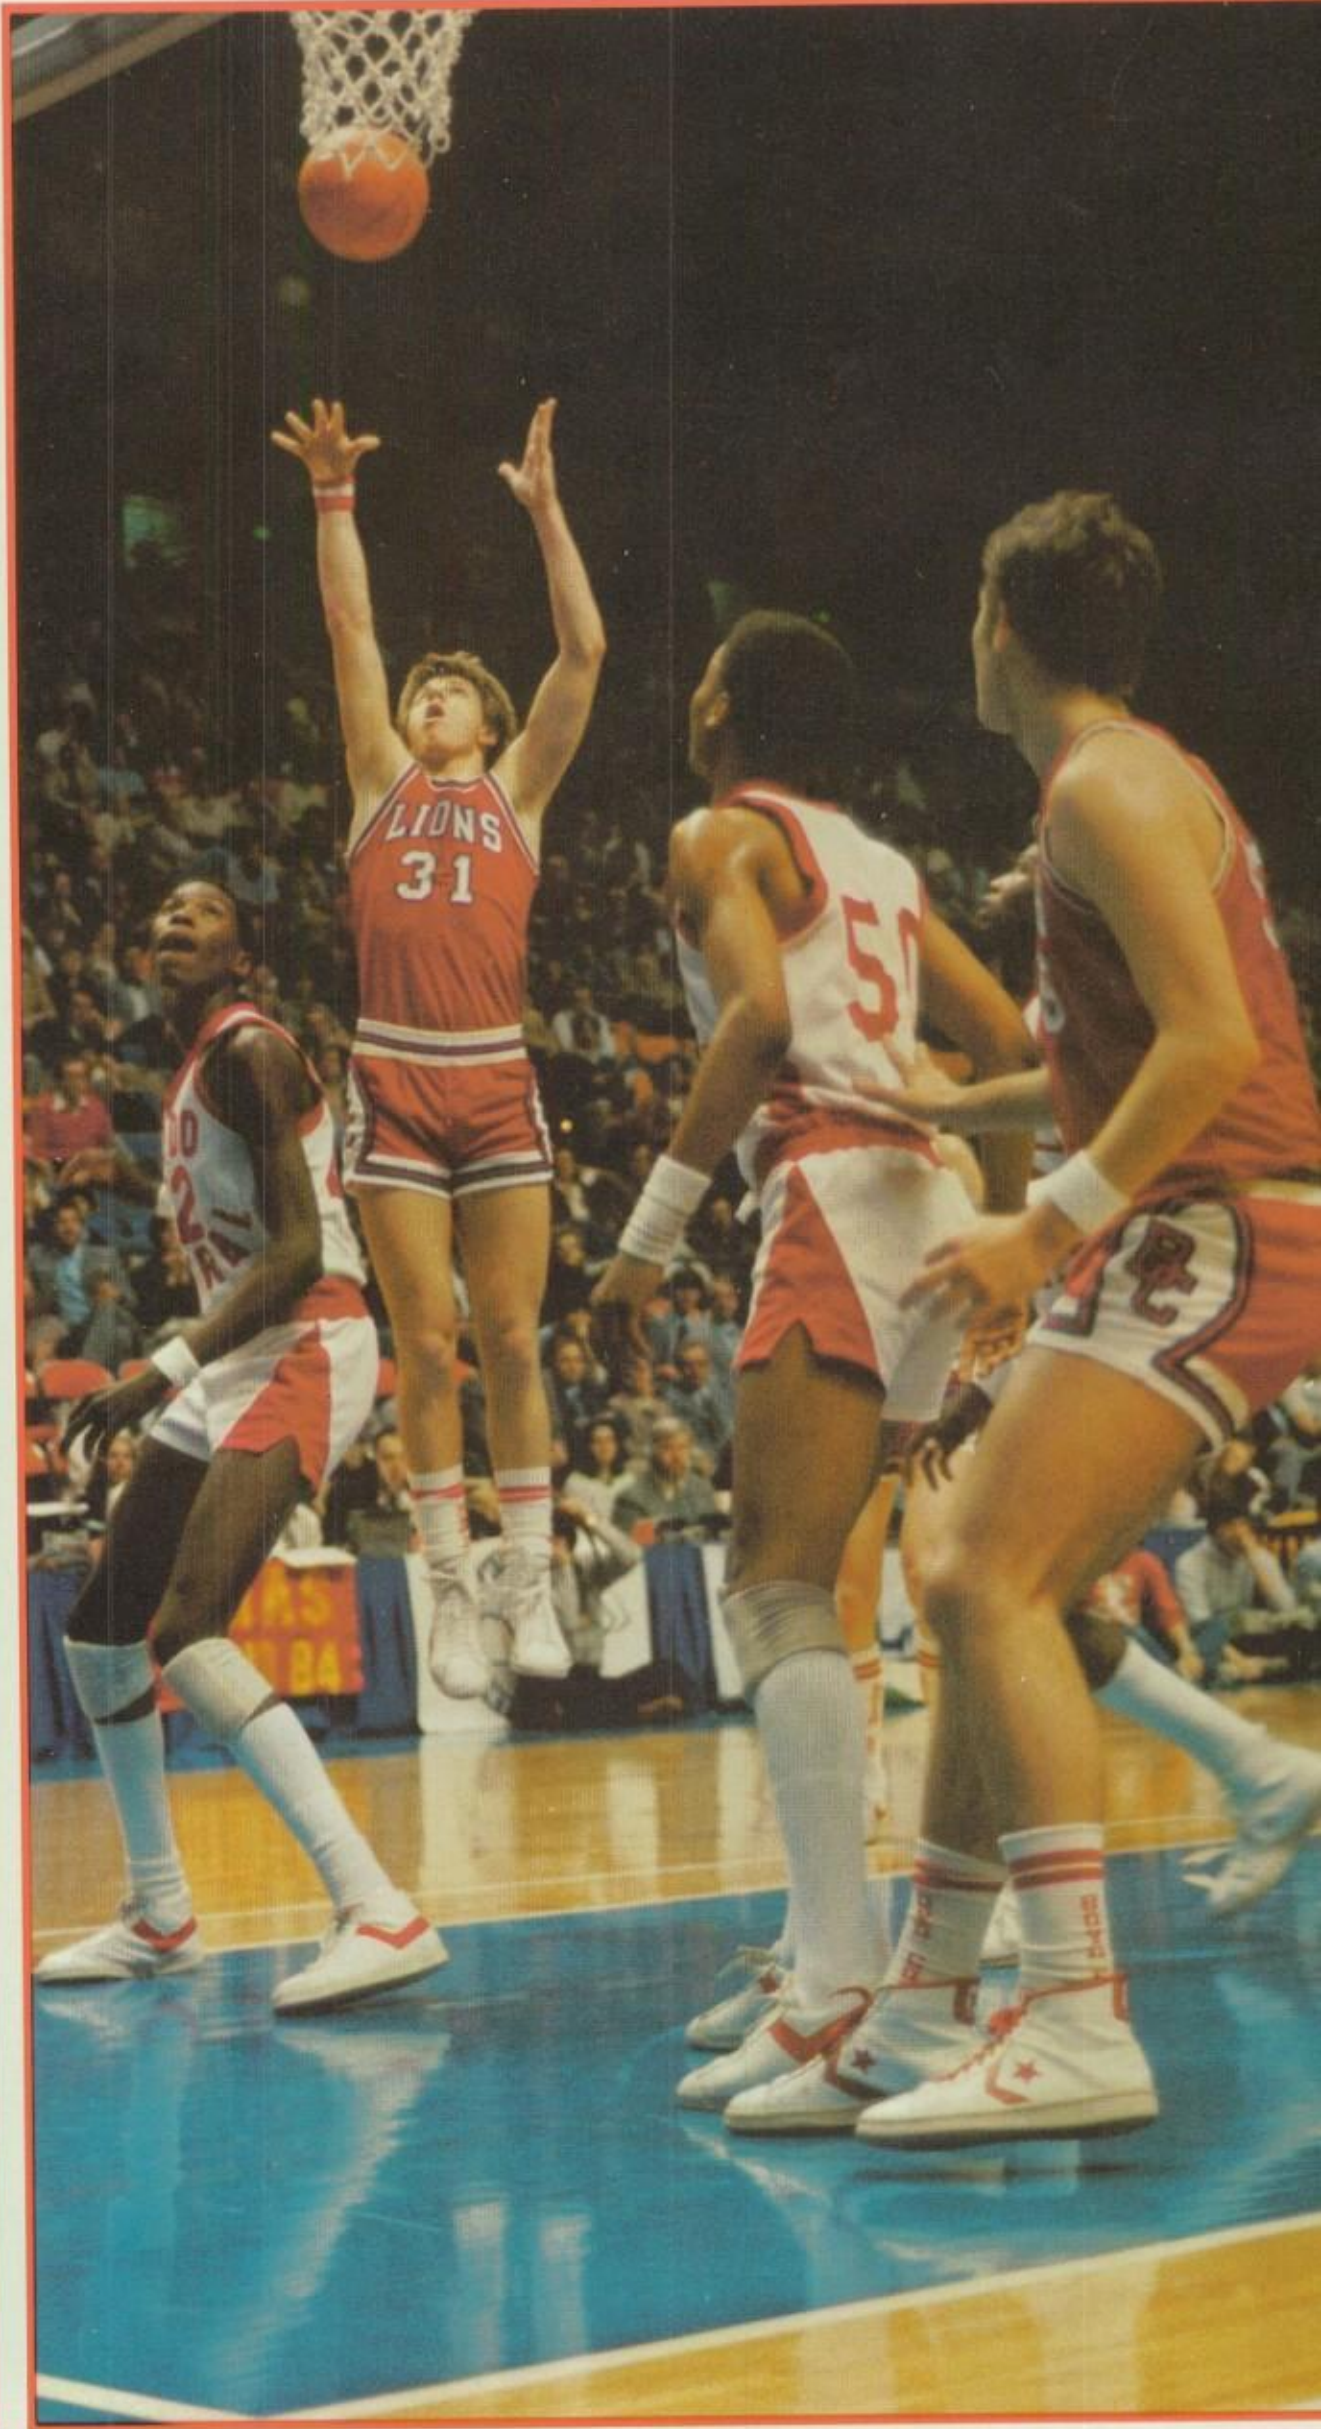

SWEET SIXTEEN!

We knew we had a good team. Sometimes they won by a big score, sometimes by a squeaker, but win they did. Toward the end of January everyone began to talk Regional winner. However, Coach Jeep Clark reminded anyone who would

listen that we had to win the District first. We won it. That was great. The Regional came, we took that too! And then on to Rupp Arena in Lexington and the Sweet Sixteen, basketball at its finest ... and we were there!

They're No. 1!

The excited
BCHS cheer-
leaders rushed
to accept their
trophy.

The Lions and their coaches during a time out at the Sweet Sixteen.

Governor Brown Zapps School Monies

This year the Superintendent and the School Board had to deal with a staggering loss of money when the State dropped its monetary support from \$15.00 per pupil to about \$5.00. Members of this Board were strongly committed to building a new high school, but funds simply were not available.

At the first Board meeting in January, incumbent Board members George Cooksey and Don Smith and new member Bill Adkins were administered the oath of office. Don Smith became the new Chairman.

Members of the 1980 Board of Education were: Seated, l. to r.: Bobby Joe Friley, Chairman, George Cooksey, Don Griffith, Ernest Baker and James Adkins, Jr., Board Attorney. Standing, l. to r.: Don Smith and Dr. Doug Cole, Superintendent.

Judge Charles Sinnette swore in Board members George Cooksey, Bill Adkins and Don Smith. Each member will serve a four year term.

The Goal of the BCHS Administrators Is to Provide a Good Atmosphere For Learning

Mr. Jay Hutchinson, Principal of the high school, handled a myriad of telephone calls during a day.

Mr. Ballash practiced his Los Angeles smile.

James Hutchinson returned this year with the same easy smile and warm manner we came to know last year. Over the last three years of Mr. Hutchinson's administration as principal, he has introduced numerous innovations to the school, including new scheduling procedures, freshman night, student athletic trainer assistance, assertive discipline, and semester tests, (although these were lacking in student enthusiasm).

Mr. Hutchinson earned his undergraduate degree from Berea College, his Master's from Marshall University and his Principal's Certification from Marshall University. He was a Social Studies teacher for five years and an assistant principal at BCHS for four years.

Mr. Hutchinson and his wife, Rhonda, are the parents of two children, Julie and Jason. Both are students at Summit Elementary.

Assisting Mr. Hutchinson were Co-Assistant Principals, Andy Ballash and Darrell Vincent.

Mr. Ballash is an AB graduate of Parsons College. He received his Master's from Marshall University and his Principal's Certification from Morehead. The area of his administrative work involves junior and senior boys and girls.

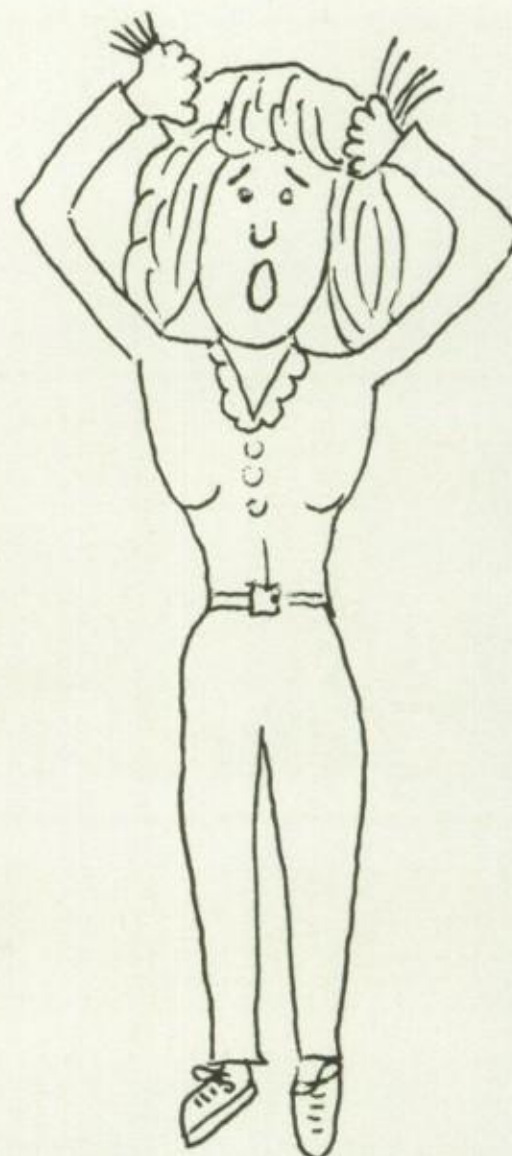

Mr. Vincent has a BS from VPI; a Master's Rank I and Principalship from Morehead University. He works with sophomore boys and girls.

Mr. Vincent reviewed a student folder.

Their Days Were Long . . . Their Troubles Many!

Our teachers worked hard every day from morn' 'til night, overcoming horrendous odds. However, they ended the year with a smile and a laugh or two. During the year they had very little classroom space, few books, a shortage of funds for classroom expenses, and other school related hardships. Even after the end of the teaching day, they went home to prepare lessons and tests, grade papers, and average grades. But in spite of all that, most of them hung onto their sense of humor. Could it be they enjoyed the generous salaries, the loving students, the thrill of inspiring others, the adventure of the unknown and the delight of seeing the bright, shining, eager faces of the young ladies and gentlemen anxious to start a new day? . . . We doubt it! However, we all realized that it was the teachers who held the school together, and that they were ever optimistic that they would be able to communicate to their charges the joy of learning!

Whip It?

The second semester a new form of controlling classroom behavior was adopted by the faculty. Called assertive discipline, it was instituted to make class time more efficient, and cut down on unnecessary noises. Instead of taking time from the other students to discipline a misbehaving pupil, the teacher simply wrote the name of the offending student on the board and continued with the lesson. Later, the person was either kept after school for fifteen minutes or assigned to detention hall for 'x' number of days.

To Be a Teacher Is To Wear Many Hats!

Many teachers spend most of their summer in pursuit of a better fall. Some return to college to update their skills and knowledge. Others work with neighborhood sports programs. Still others planned lessons for future classes.

Class Members Choose Officers

Each candidate made a speech during an assembly stating his plans for making the class the "best ever" . . . Most of the speeches were more political talk than "realistic talk." However, the officers did their jobs well. The class sponsored the Junior-Senior prom, sent a boy to Boys' State and a girl to Girls' State and had some money to take with them into their senior year. Class sponsors were: Mrs. Hazel Hall and Mrs. Sueanne Wilhoite.

Officers were:

President — Brad Flaming
Vice. Pres. — Keith Collinsworth
Secretary — Sue Khounlavong
Treasurer — Jenny Shingleton

The year started for the class of 1981 in July, when senior portraits were taken. August 18 was opening day. Classes, clubs, sports events, falling in and out of love, holidays and snow days all followed in their natural order — and then suddenly, it was all over for another year!

Seniors

Top left: The dining room was filled with happy people. Top right: Kathy Sparks music brought tears to many eyes — including hers. Above: Senior homeroom teachers were presented carnations in appreciation by senior homeroom reps. Sandy Holbrook presented flowers to Mrs. Jill Osborne.

In the spirit of sharing and caring about each other, Bob Peterson sang "He Ain't Heavy, He's My Brother." Bob accompanied himself on the guitar.

It Was A Time To Be Together.

Ham, eggs, biscuits, sausage, orange juice, pancakes, milk, all you could eat — and in such a pretty dining room — that was the senior breakfast. It was held at the South Point Holiday Inn on May 21st.

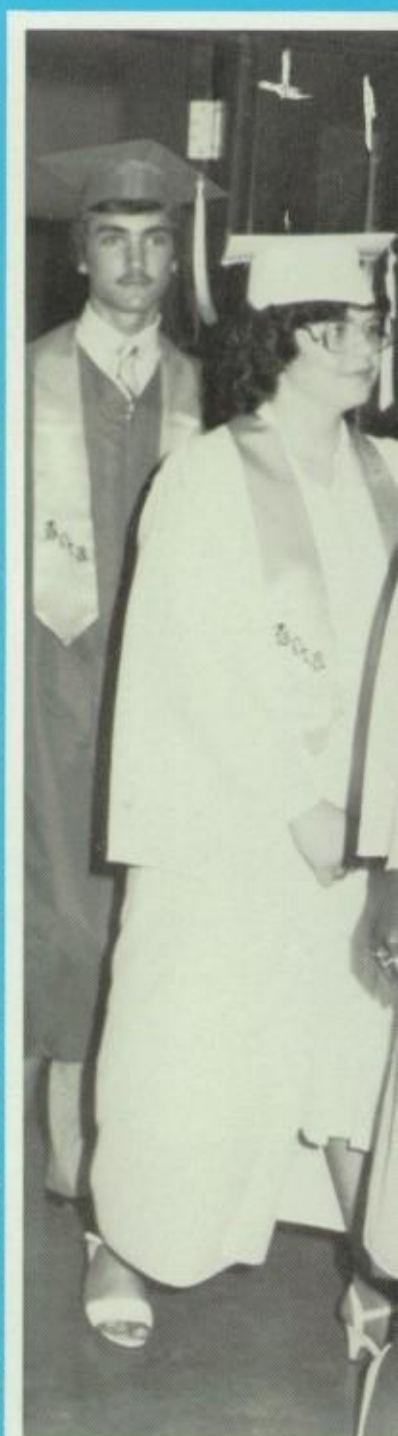

Top: Bobby Branham, Roberta Taylor, Connie VanHoose, Barbara Berry, Teresa Davis, Cheryl Asbury and Charlene Butcher enjoyed the breakfast. Above: Class officers read the wills and the prophecy. At right: Melissa Mansfield brushed away a tear during activities of this emotion charged breakfast.

Like others before him, James Stewart was forced to become a homebound student during the last of his senior year. All seniors were glad that he could go through the ceremony with them.

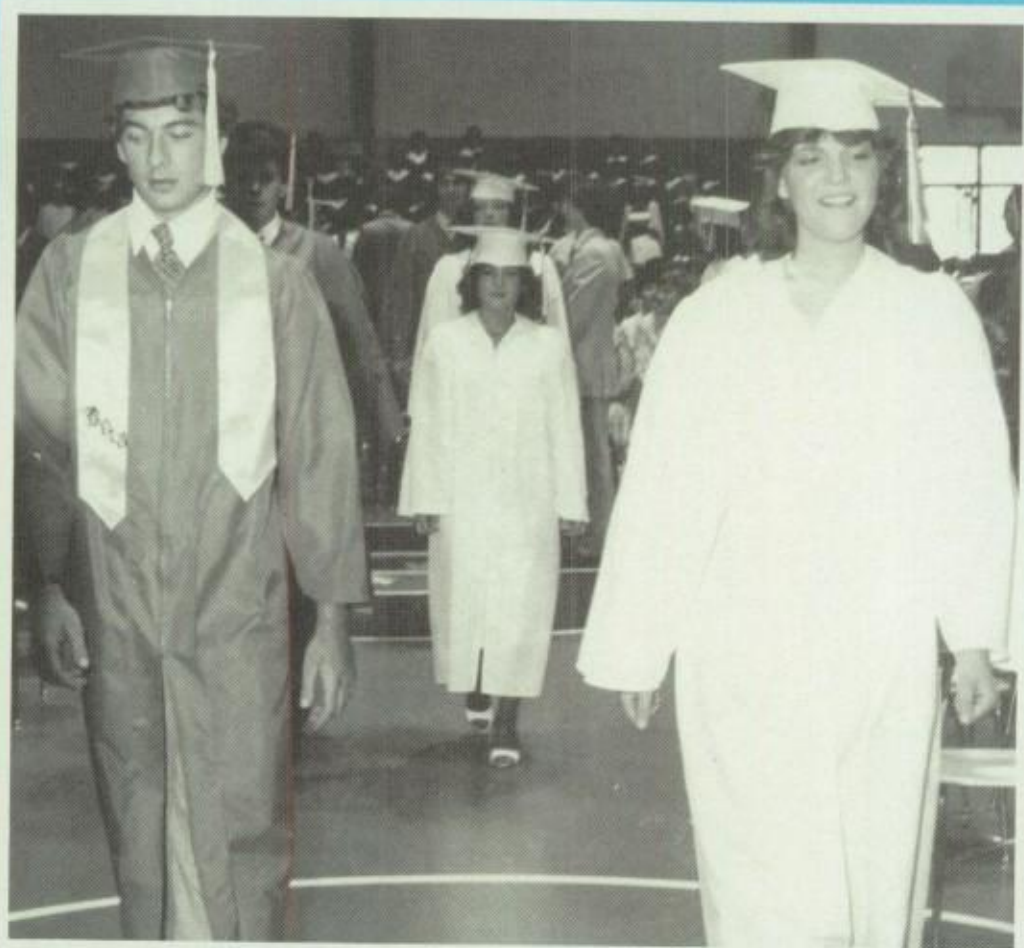

Top middle: It was important to have a picture taken in cap and gown. Here Teresa Conley posed for hers. Top right: Seniors Carla Jewitt, David Jarvis, Lisa Guyette and Teresa Davis marched in the procession. At right: "We four plus one" — the Class President stood with the three highest ranking students as their classmates marched in. Their principal waited for the graduates to be seated.

Graduation Began at 7:00 P.M.

The weather wasn't really too hot, but the gym at the Summit Junior High was, as the class of 1981 graduated. Over 350 students were awarded diplomas on May 22, 1981.

At left: Seniors, Mark Wallace and Sheri McGuire marched toward their seats. Below: Chuck Williams was all smiles at graduation. Below left: Each female graduate was given a red carnation. Angie Stewart was pleased with hers. Below far left: Diploma in hand was graduate Harold Alshire.

Inter-Club Basketball Is Fun and Fund Raiser

"In came the "star" of the game" and the fortunes of the teachers improved a little!" This quote came from Bobbie Alexander, and was made in reference to the basketball game between the faculty men and the members of the FCA club. The "star of the game" was basketball coach and former BCHS player, Phil Pratt. Even with the help of the big man, the teachers lost . . . a close one!

This game was the finale in the Student Council's intermural basketball tournament. In February, games were begun in which one club played another until only the morning vocational boys and the FCA were left. This championship game was played during the sixth period on March 24th. A .50¢ donation was asked of all who attended. This money was donated to a needy family, and to a child from the Summit Elementary school.

Profit from the juice machines was used for the Student Council — Dr. William Eidson Scholarship, which was awarded to senior, Tammy Campbell.

The Student Council also worked with the annual Exchange Day and participated in the clean-up the school campaign.

With help from other clubs, the student council bought a large flag for the Summit Junior High gym.

They also started a fund to buy flags for the individual classrooms at the high school. Hedrick and Shumate discussed flags.

Alas . . . they tried!

Winners of the Student Council sponsored club-faculty basketball game accepted their trophies from Principal, Jay Hutchinson.

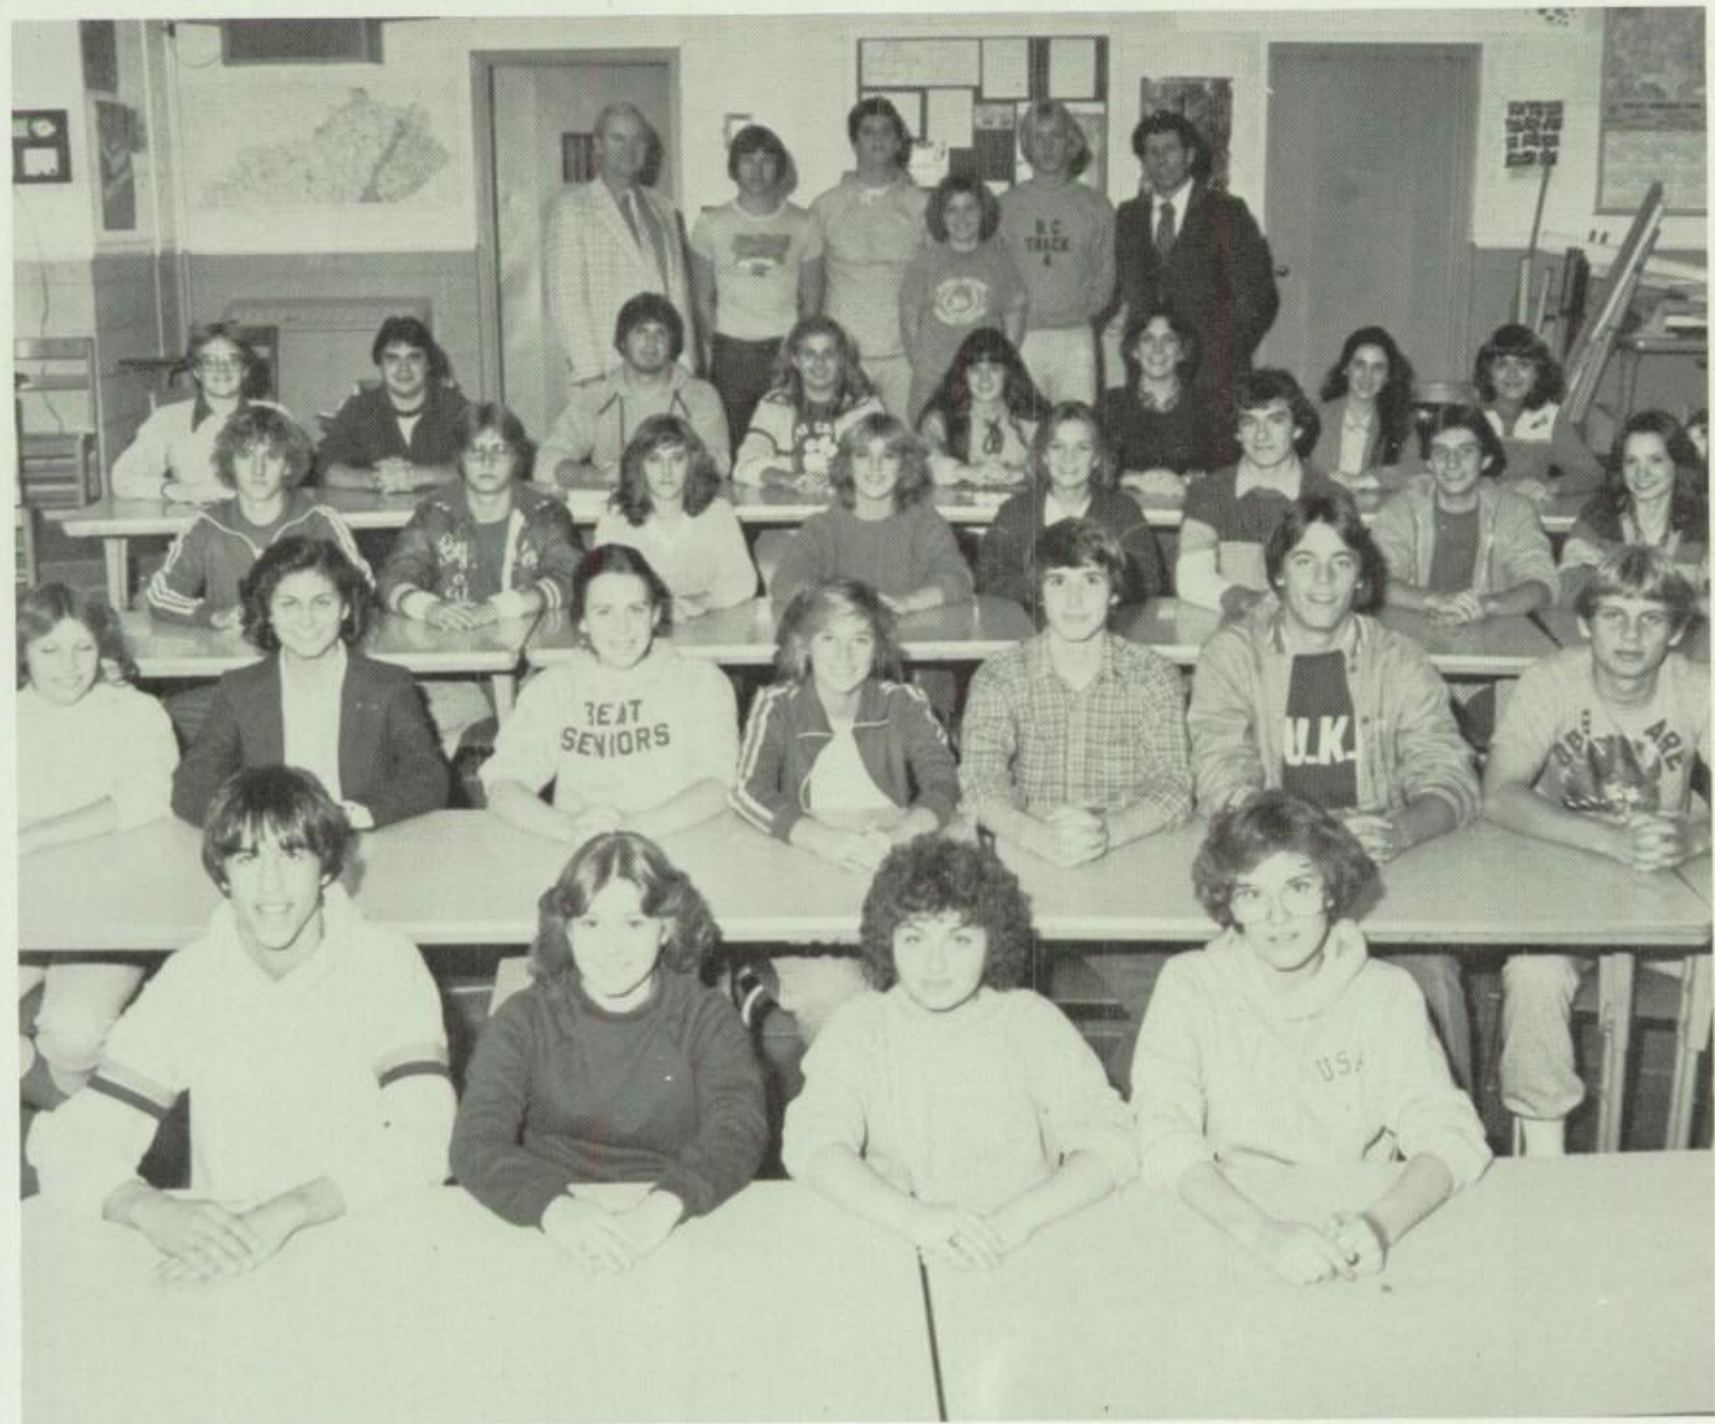

The Student Council's juice machine was a student favorite. For 50¢, the buyer had a choice of six different juices

Grape and Gatorade were the favorites. Students were allowed to buy this juice all during the day.

Hedrick Elected Student Council President

In early fall, elections were held for the offices in the Student Council. Much interest was shown and several students entered their name in the race. After the ballots were counted, Phil Hedrick was declared the President, with Jim VanHoose, Vice. Pres., Kim Green, Secretary, and Tim Smith, Treasurer. At large members were also elected from each class, and a representative from each club rounded out the membership. Assistant Principals Andy Ballash and Dick Vincent were club advisors.

Members were, First row: Sisler, Mullins, Butcher, Baker, Row 2: Bryant, Spears, Skaggs, Duley, Flaming, Snyder, Alexander. Row 3: Callihan, Barbour, Donta, Everman, Bundi, Wallace, Smith, Sparks. Row 4: McClelland, Lykins, Mays, Campbell, Felty, Thomas, Kilgallin, Clarke. Row 5: Vincent, Smith, Hedrick, Green, VanHoose, Ballash.

Band Gets New Director

White gloves, red and white uniforms, instruments gleaming: all of these described the BCHS band of 1980-81. Under the guidance of new director, Ron Hoover, the band once again supported the football team by playing the familiar pep tunes and presenting interesting halftime shows. During the basketball season, the pep band was on hand to "fire up" the crowd.

Top: Band Director, Ron Hoover, directed the "fight song."
Above: A special group performed a number.

Top middle: David Jarvis and Jerry Groce decorated their horns for a band feature during a football halftime.

Above: Field Commander, Natalie Tussey, waited for the signal to start the band show.

Along with bringing added entertainment to ballgames, the band was involved in a number of other activities. They started the

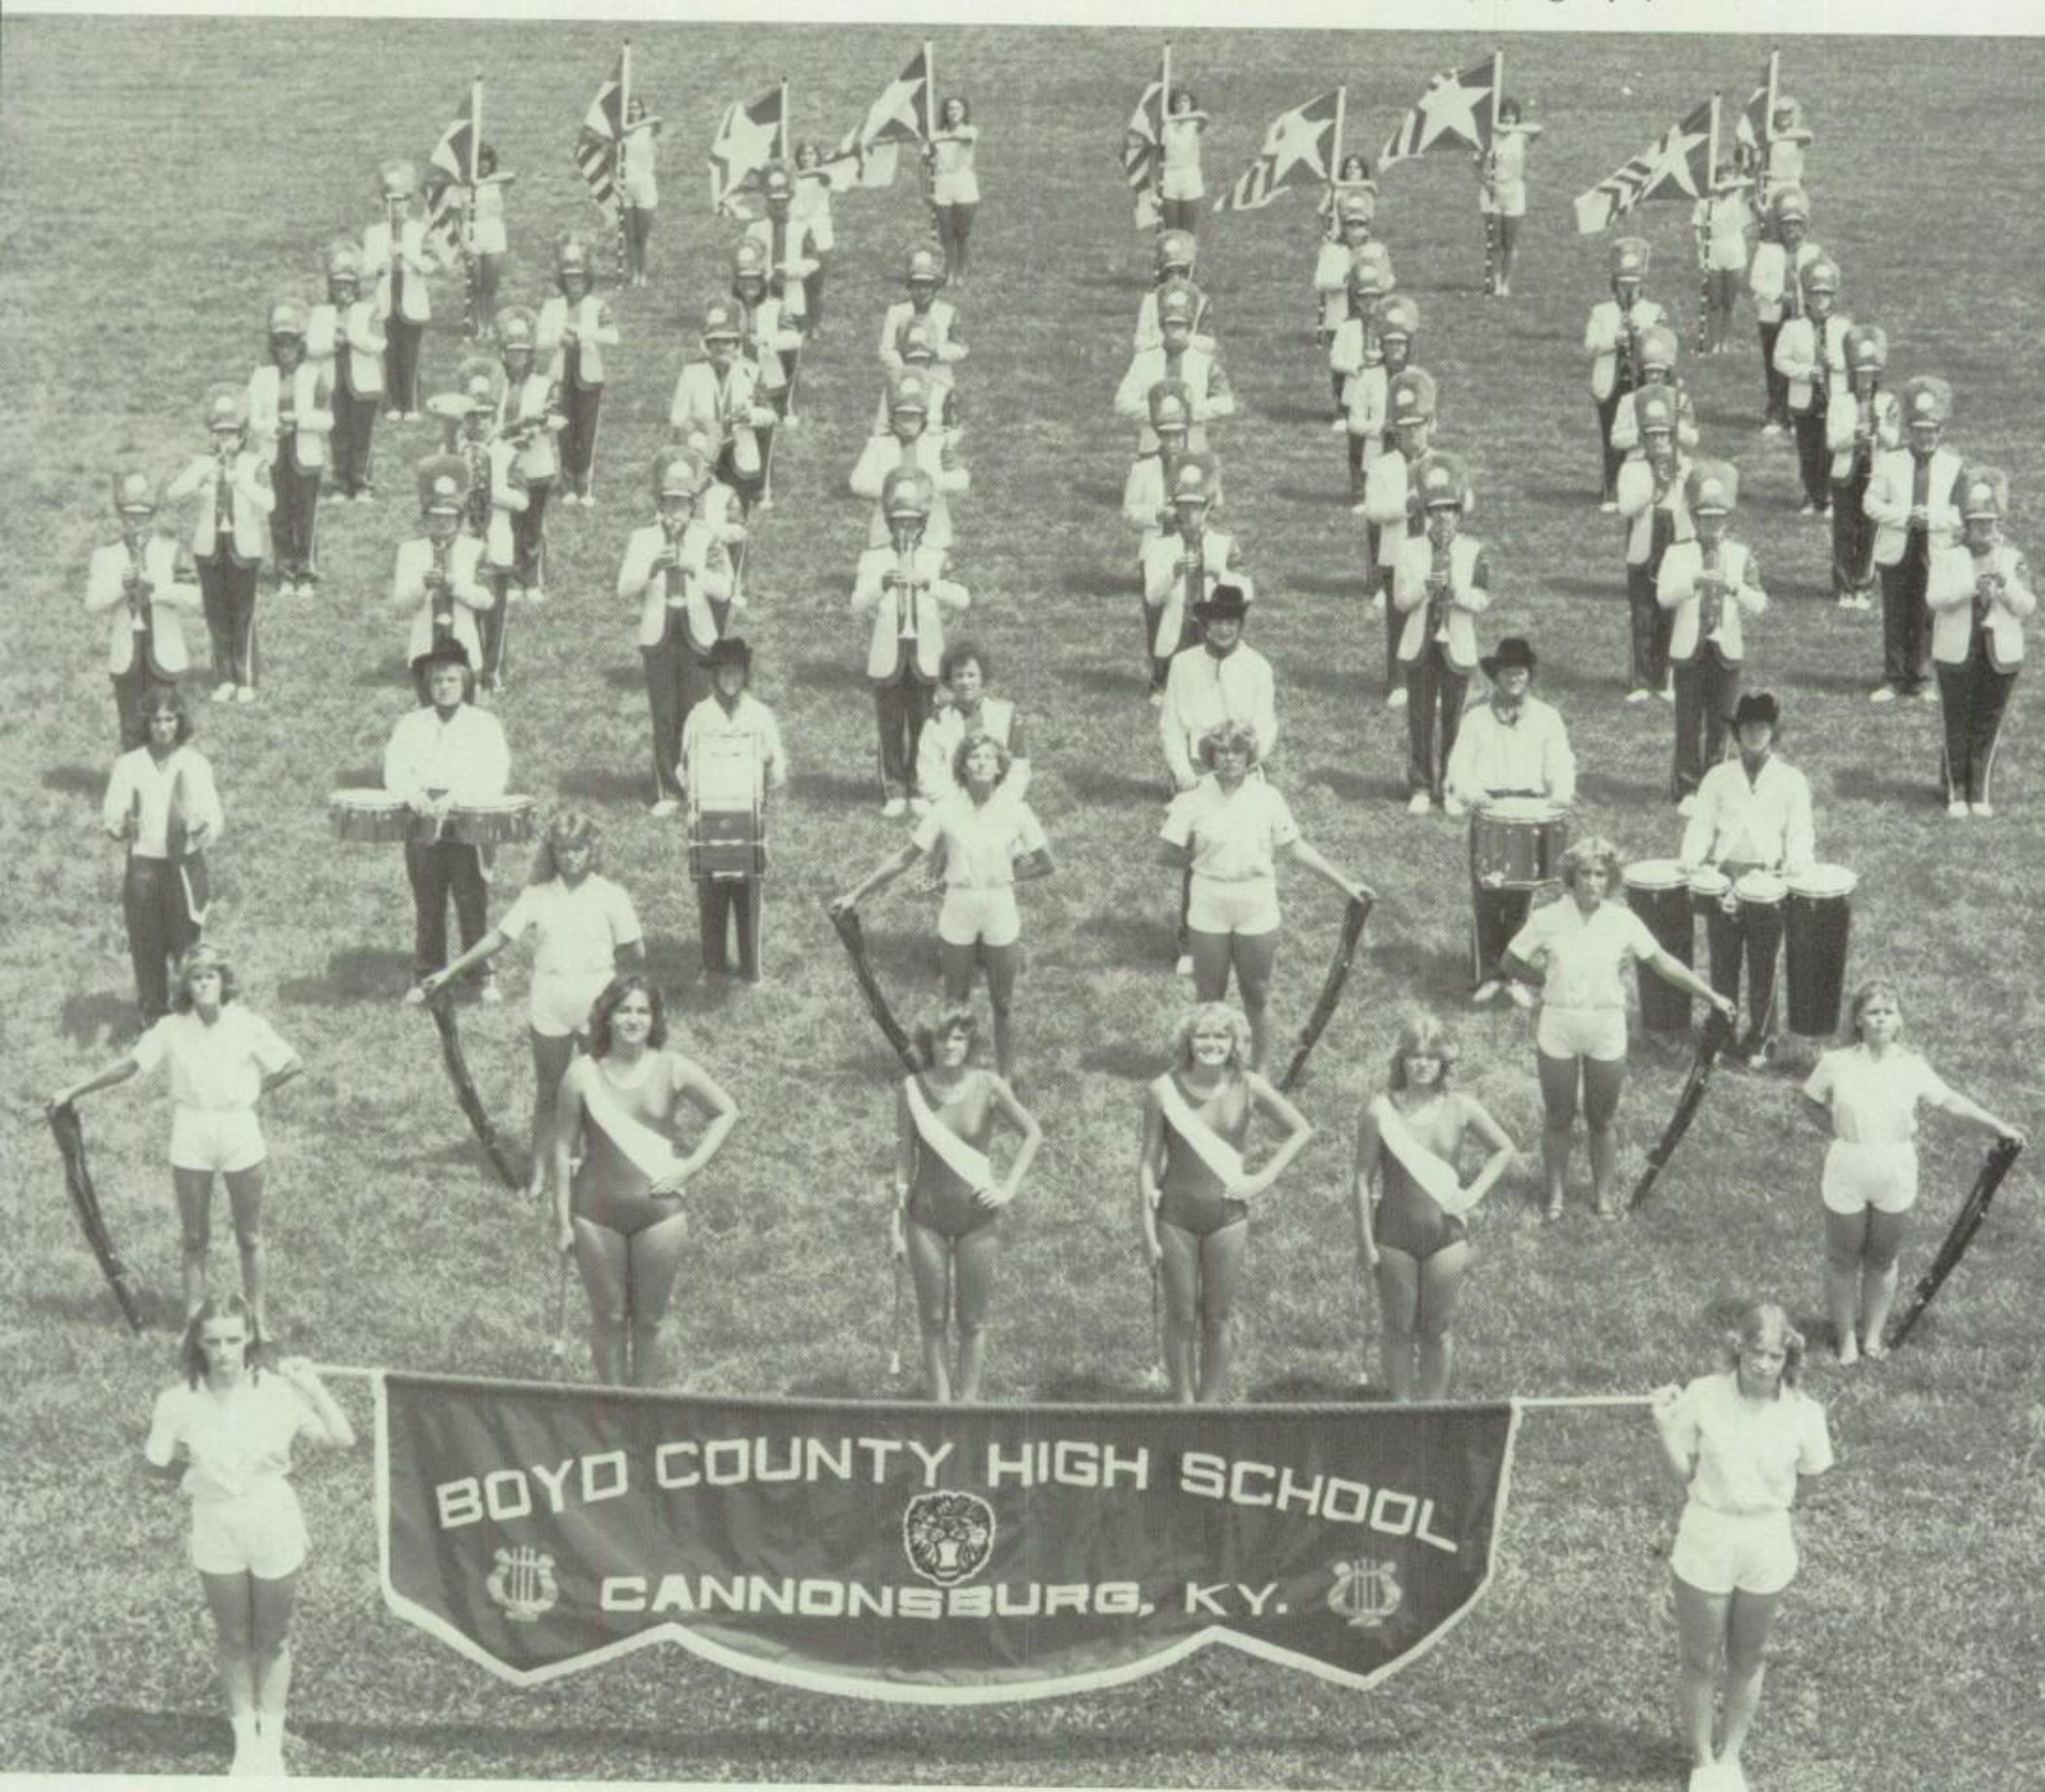

year by marching in the Ashland Band Festival. They also marched in the Christmas parade. They

presented Christmas and spring concerts and entered band competition contests.

In the early spring the band journeyed to Nashville, Tennessee, to compete in the American Music Festival. Sponsored by Opryland, USA, the

festival featured 50 bands from all over the nation. The contest was a real experience for band members because they watched performances by bands large and

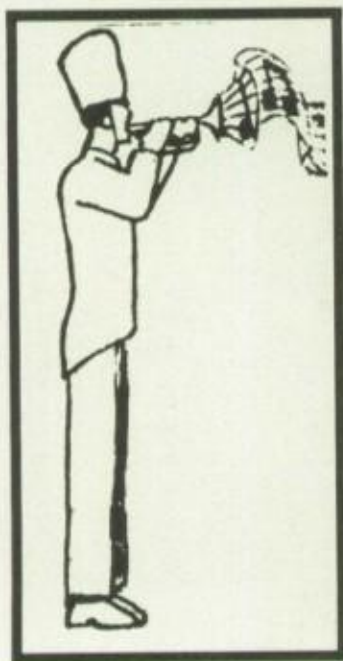

small, and bands great and not so great. The Lions band received a "good" rating. After the contest, band members spent the rest of the time enjoying Opryland.

1980-81 band members were: First row: Hush, Taylor. Row 2: Armstrong, Bentley, Bowan, Caskey, Lafferty, Spears. Row 3: Bailey, Fields. Row 4: Newman, Vincent. Row 5: Taylor, Adkins, Honaker, Conley, Griffith, Baer,

Ratliff, Row 6: Franklin, Griffith, Imes, Moody, Walker, Hammond, Wiley, O'Brien. Row 7: Ekers, Greene, Trimble, Alexander, Cremeans, Simmons, Windland, Bir. Row 8: McDavid, Salmon, Chaffins, Porter, Horn, Brown,

Jackson, Griffiths, Row 9: Hensley, Tussey, Ward, Brown, Cox, Sparks, Dalton, Cyrus. Row 10: Walker, Jarvis, S. Griffith, Johnson, Flags: Morris, Bradley, Taylor, Palmer, Walker, Fannin, K. Fannin, Cole, L. Tussey.

In April, band members participated in a Concert Band Day at Morehead State University. Pictured at top: Brass players were Evert Windland, Bobby Nipp, Danny Imes, Lee Moody, and Bill Walker. Above left: Phil Chaffins and Melinda McDavid played their saxophones at Morehead. Above right: Shelly McEachren concentrated on a flute piece. At right: Senior Lee Moody added some pep to a ballgame with his trumpet.

Group and Individuals Make Band Shine

It takes the cooperation of every section of the band to produce a good musical sound. Here we've pictured some individuals and groups as they worked to give their own special sound to the band.

Left: Ronnie Ratliff gave a smile and a bang on the drum. Directly below: Three members of the clarinet section were Melvina Dalton, Casandra Brown, and Jonda Jackson. Bottom: Band Front members were: Spears, Fields, Vincent, Newman, Bailey, Armstrong, Morris, Cole. Row 2: T. Taylor, Bradley, Perkins, Walker, K. Fannin, L. Tussey, Palmer, V. Fannin.

Key Club Appreciates BC Students

The Key Club sponsored "Outstanding Student Appreciation Day" where BC honorees were presented certificates of achievement by advisor Robert Stacey and President Tom Smith. At Christmas, Key members got into the Christmas spirit by ringing bells for the Salvation Army. In other service projects Key members served as "buddies" in the Special Olympics and had a party for the Special Education classes. As a fund raising activity they sold Boyd County Lions key chains. Key Club also participated in Kiwanis Family Day.

Thespians Revive Powderpuff

After an absence of two years, the Thespians revived the Powderpuff football game. However, this year it was the Juniors-Sophomores vs. Seniors instead of playing the girls from Ashland. Thespians also sponsored the Homecoming Dance. Although "turtle" sales were the worst in Thespian history the club managed to buy media equipment for the school; and in May they traveled to the Mountaineer Dinner Theatre.

Officers were:

Betas Light Up Their Lives ... Literally!

Beta Members thought they'd seen the light. With lightbulbs as their fund-raising project, how could they fail? Everyone uses light bulbs, and with a price of 5 for \$3.00 they knew they would make plenty of money for their convention in Louisville. Were they ever shocked when the stores in the community put light bulbs on sale causing a short circuit in their plans. This blacked-out members' hopes of going to convention. At the end of the sale, Advisor David Watts said the club had made barely enough money to cover the cost of returning the bulbs.

On the lighter side, members had fun ice-skating at Charleston Civic Center and skiing at Lakewood Village. An initiation dinner was held at Western Steer Steak House where 35 new members were inducted into the organization.

FBLA Is Mighty!

The FBLA group was the largest club at Boyd County High. It also was voted the largest chapter in both the area and region and was the second largest in the state.

The club had many service minded members. At Thanksgiving, when the FHA sponsored a food basket contest, members brought in food from home to add to the basket. The FBLA won the competition and received a check for \$25.00

Each month Senior members, Melissa Mansfield and Dawnette Kitchen drew a new artistic scene for the cafeteria's bulletin boards. Some scenes were seasonal, others were geared to FBLA events, but all were charming and well done.

This year, the club launched "Free Enterprise Week." The objective of this week was to show how the American business man goes about making his organization work.

The club installed new officers at their year end banquet. The club's advisors were Mrs. Marsha Blevins and Mrs. Janice Sturgill and Mrs. Naomi Kazee.

FBLA officers were: Cassandra Brown, Vice Pres.; Carol Smith, Historian, Susan Mullins, Pres.; Tena Mullins, Treas.; Bev. Bartley, Reporter; Jonda Jackson, Secretary.

Spanish Students Teach At Summit

Advanced Spanish students this year had the opportunity to teach 2nd and 3rd graders at Summit Elementary School. This was an exciting experience for both the young teachers and their students.

The program was designed for a three-fold purpose:

1. To give high school students first hand experience in relating to and working with people, and specifically young children.

It was hoped that this experience would be helpful in giving the students some direction in future goals and some ideas toward vocations and avocations. Several of the students exhibited natural gifts in working with people and teaching.

2. The students reviewed and applied in the class room skills learned in their high school Spanish class. This experience proved to be a good teaching tool.

3. To encourage and expose elementary children to the fun and degree of proficiency which language can be taught and learned at an early age.

Young Lions Fail to Roar

The Boyd County football team had a disappointing year. Although they only won two games, the team kept up their pride. Leading the Lions this year was Coach Bill Tom Ross. In his first year at the helm of the football team, he said his goal was to build a winning team. One of the bright spots for the Lions was the win of their Homecoming game.

As a result of no Ashland team to play, sophomore and junior girls were teamed against the senior ladies, and the outcome was a wild evening of football and fun. For halftime entertainment, each club sponsored a contestant for the Pumpkin Queen Beauty Contest. Kevin Howard, sponsored by VICA p.m., was the winner, and crowned Pumpkin Queen.

Wrestlers Compete at State

The 1980-81 wrestling season was hard but successful. The team amassed a record of 5 wins, 7 losses and 1 tie. Three wrestlers competed in state competition. Chuck Williams and Danny Boyd each placed first in their division at district level, and Bobby Callahan placed fourth in his division. In order to qualify for state competition, each contestant had to have qualified at the district and regional levels.

Lions Quintette Hits the Top!

The Boyd County Lions got off to a shaky start in their first game of the season by beating Fairview 65-63 in the opening game of the BCHS Holiday Classic. Joey Wells scored 23 points, and Kent Sisler added 14. In the semifinal game against Clark County, the Lions won by a score of 56-51. But, the final game, which pitted the Lions against the favorite, Virgie, was the game that had the fans jumping. With 3 minutes 45 seconds to go, the Lions' five point lead was lost and the Virgie quintette claimed the tournament! The next tournament action for the Lions was the Russell Invitational Tournament, which they won for the second consecutive year. Then, it was on to the Ashland Invitational Tournament. In their first game, they beat Louisville's Doss High by an 84-72 score; however, they lost the semi-finals to Louisville Central 62-54, and gained the third place berth by defeating Virgie 94-89.

Regular season play followed the tournaments. Of these games, the Lions quintette lost six, but they won 22. One of the high spots in the season was when the Lions met and bested the Ashland Tomcats 66-60!

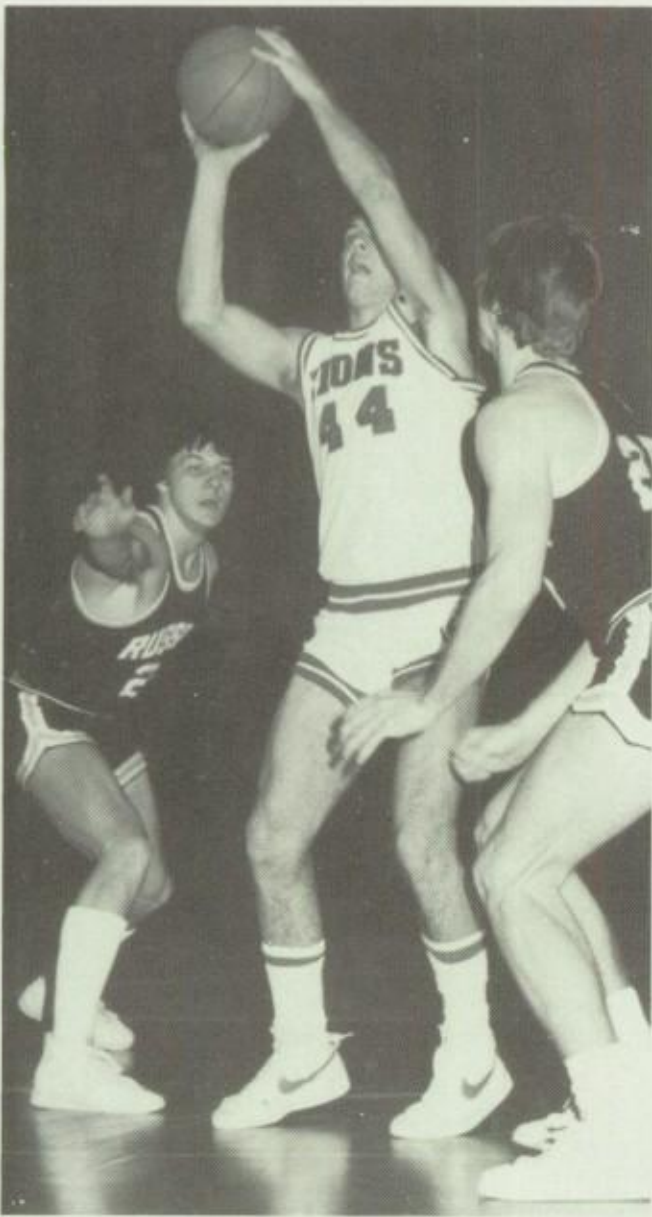

Members of the 1980-81 team were: Front row l. to r.: Mgr. Tipton, Walter, Kv. Sisler, Salyer, J. Sisler, Mgr. Hurtz. Back row: Griffith, Fannin, Kt. Sisler, Elswick, Wells, VanHoose, Litteral, Clarke, Stai.

Seniors Lead State Bound Team

The basketball Lions were lead by five senior players. The scoring of Kent Sisler, the rebounding of Mark Elswick, the consistency of Mike Fannin, the passing of Kevin Sisler, the hustle of Tom Salyer together with the assistance from the juniors combined to make the 1980-81 team one of the most outstanding in the history of the school.

Far left: Mark Elswick towered over the opposition as he fired this shot. Left: Mike Fannin pryed his way through the Ashland defense for the layup. Below left: Another victory.

Wins At District And Regionals Thrill Team And Fans Alike.

After beating Ashland in regular season play, 66-60, Boyd County was determined to win the District Tournament. They did with a 92-62 victory over the Tomcats.

In regional action the Lions again faced Ashland. Over 3000 fans watched as the Lions trounced the Tomcats and earned a trip to the "Sweet Sixteen."

County Goes to Quarter-Finals at State!

The Lions had not played in the "Sweet Sixteen" since 1973, so this trip was especially exciting. In the first game of the tournament, the Lions met the team from Todd County and zapped them 75-65. The fans went crazy! Scoring standouts in that game were Joey Wells, who tossed in 25 points, Kent Sisler with 14 points and Mark Elswick with 12. Coach Jeep Clark was very proud of his team. He felt that they played a steady game and that "all of our kids played a big part in this win."

In the the quarter-final state game the Lions faced the team from Mayfield. The lead see-sawed back and forth, but the clock ran out and the scoreboard showed Mayfield had won by a score of 71-64. This game seemed to be the antithesis of the previous one. It was a sad BCHS crowd who filed out of the Lexington Rupp Arena and headed home. But . . . this team had played in the quarter-finals of the State Tournament.

Lady Lions Lack Experience

The Lady Lions had a struggling year, posting only six wins against twenty-one losses. Two of the wins came in tournament play, as the Lady Lions started the year off right by defeating Fairview in the Boyd County Invitational Tournament. In the finals of the tournament, the Lady Lions were matched against Russell. The Red Devils won by a narrow margin of 47-42. The other tournament win was against Rock Hill in the Ironton Tournament. The Lady Lions defeated Rock Hill 35-29 in the consolation game. Other wins came against Greenup County, Woodford County, Fairview, and Bath County.

BCIT Is Area Event

The 1980 B.C.H.S. Invitational Meet was marked by the largest field in the history of the meet, with a total of 114 varsity runners and 63 J.V. trackers. Boys and girls captured both third and fifth places in the varsity action. B.C. boys varsity finished behind Barboursville and Wheelright, gaining 136 points for their own invitational meet. Lee Moody placed sixth in boys varsity with the Lions' best time of 16:27. Top runners for B.C. girls' varsity were Lois Bryant, who placed seventh with a 12:07, and Shelley Addington, who was tenth with a 12:11. Final results showed Barboursville winning the 5,000 meter boys varsity, and Huntington East taking the 3,000 meter girls varsity.

Although not as much in the limelight as was the varsity, the members of the junior varsity cheerleaders were just as hard-working and just as sharp. These girls won three blue ribbons and one red one at cheerleading camp. They cheered at each of the girls basketball games.

The varsity squad started the football season on August 29th with East Carter as the opposition.

Members of the junior varsity cheerleading squad were: first row: l. to r.

Cheerleaders Are First at State!

The varsity cheerleaders from Boyd County Senior High were chosen as the outstanding squad of the Sweet Sixteen tournament. Sponsored by the KAPOK Association, the cheerleaders from each of the schools competing in the tournament were judged on floor cheers and sidelines. The trophies were presented on Friday night after the first game. During tournament

week, the girls from Boyd County High also competed in the SUGARFEST cheerleader competition, which was sponsored by radio station WVLK and the Fayette Mall, where competition was held. Each squad was judged on floor cheers and a pom pom routine.

The BCHS cheerleaders placed second in this competition.

Pictured with their trophy were: Marshall, Kittle, Bailey, Hayes, Bryant, Lewallen, Easterling, Duley, Stidham, and Gray.

Spring Training Improves Lions' Record

This year while most students at school were enjoying their Spring break, the baseball Lions were hard at work in Winter Haven, Florida, training for their upcoming season. There they had the opportunity to play experienced teams and work on improving their baseball skills. To pay for their traveling costs, parents of the players held a raffle and sponsored a gospel sing. Yet, all the work seemed to pay off as the Lions ended the season with a 12-6 record, an improvement over past years.

Boyd County Advances To Regionals

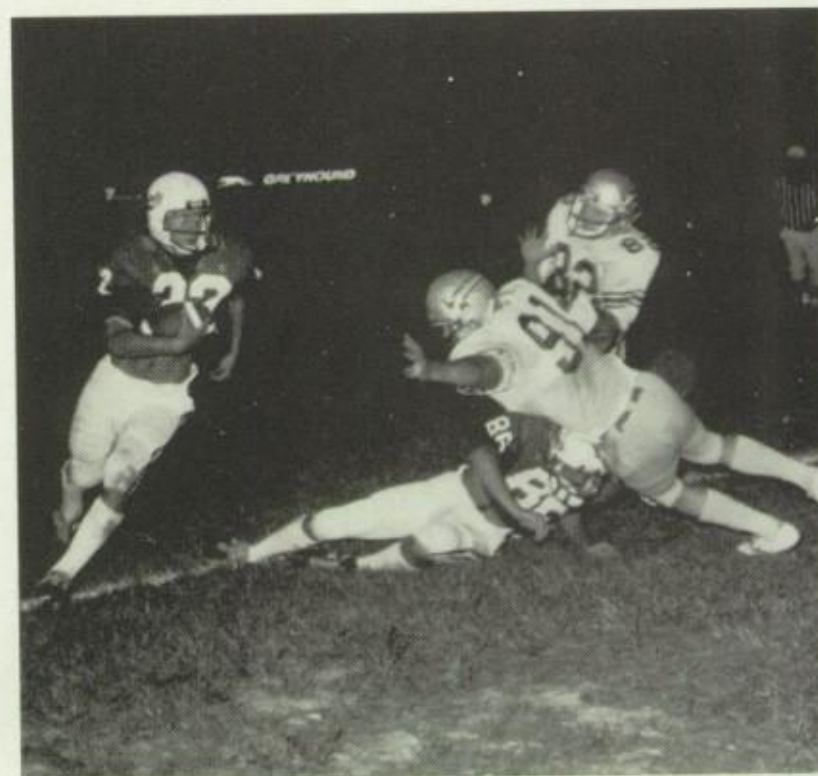

This year in district tournament action, the baseball Lions faced Lawrence County in first round action. After defeating the Bulldogs, Boyd County took on rival Ashland. Although the Lions were defeated, they earned the right as runners-up to play in the Regional Tournament at Morehead. But luck was not with B.C. as their first round opponent was Greenup County (one of the best teams in the state). The Lions suffered the loss despite their hardest efforts all year. At the Athletic Banquet, Mike Fannin was given the team's Most Valuable Player Award.

Top left: Roger LeMaster and Robbie Porter got ready for an upcoming game. Left: George Pack tried his fastball on the Louisa opponent. Sparks Fly At Homecoming

Homecoming 1980 style featured fireworks, frenzied folks and stop action play. Before the game started, a transformer blew up, which left the field dark for nearly an hour. Thanks to the power company and local firemen, the transformer was repaired and the game begun. The Lions' opponent was Western Hills, a new school from Frankfort. At the game's end it was Lions-34, W. H.-6.

The Homecoming Court included: Jay Arnett, Angie Allen, Todd Stai, Beth Spears, Randy Maggard, Chelisa Con-

ley, 1979 Queen, Kent Sisler, 1980 Queen, Marty Sparks, Phil Hedrick,

Angie Kilgallin, Charlie Young, Kelly Fannin, Brock Walter, Angie Marshall.

Dancers Frolic Past Midnight

After an extended ballgame, the dance started. The dance was held in the gym and featured bug repellent candlelight. Bottom Left: Recorded music was provided by area disc jockey, Ernie G., from WHTN. The dance was extended to 1:00 A.M., thanks to Ernie, who agreed to stay and work overtime. The Thespians, sponsors of the dance, consider this as their public service project because, as President Marty Sparks said, "It certainly isn't a money making venture!"

THE BLUE LAGOON

Gents in top hats, tails and walking sticks, ladies in sleek and billowing dresses filled the El Haza building for the May 10th Junior-Senior prom.

Decorations, including grass huts, palm trees, Tiki god figures, live flowers and plants provided the background and the band Zacharia the music.

Behind the Scenes

Our preceding pages showed how pretty the prom decorations were and how much everyone enjoyed themselves. Without the work of a lot of the members of the junior class it would not have been so. Here we want to show you some of the behind the scenes work and workers.

Top right: Lori Duley, Nancy Sparks, Beth Spears, Sue Khounlavong prepared fruit for punch. Above: It took a lot of work to get the ceiling in place.

Walter Black and Dickie Chaney helped Zack Waite with his football uniform!

Editorial members of the annual staff were, clockwise: Angie Kilgallin, Christie Clarke, Ginger Thomas, Marty Meyers, Tammy Campbell, Tom Smith, Vicky Shumate, Kevin McClelland, Bill Sutton, Vivian Meyers, Phil Hedrick.

At right: Tammy Campbell typed copy on one of the staff's "oldie but goodie" typewriters. Vivian Meyers and Christie Clarke pondered a junior layout.

224 Pages Is a Lot of Space to Fill!!

Editorial members of the annual staff started their year by finishing the club and sports sections of the 1980 yearbook. Pam Owens and Marty Sparks finished the advertising section. Alan Ramey signed on as the staff artist for the 1981 book.

Early in the fall, editorial members attended a seminar in Lexington and came home with new ideas and the latest information on "what's new" in yearbook styling.

Having some 4-color pictures in the senior section was a priority of this staff. However, at \$345.00 per page, they could only afford two pages.

The bell rang for the last time of the school year . . . a bus pulled up . . . the few remaining kids got on . . . the bus pulled out . . . just like that, the school year was over!

It was a good year . . . full of new faces and old ones . . . of new loves and lost ones . . . of learning new facts and polishing old skills . . . but most of all, it was a year of people . . . people in action . . . people together . . . people in competition . . . people learning and achieving . . . people having fun . . . people in business . . . and people of all ages meeting each other with respect, in friendship and love.

Roses are red, violets are blue,
We worked night and day
To get this book finished for you!
Tammy, Vivian, Kevin,
Bill and Lucy.
